

TLC \$5 Million Campaign: From \$20 Per Free Sign-Up to \$1,500+ Monthly Income

Goal: Maximize our share of the \$5 million market and establish significant monthly residual income through free sign-ups. Limited time, so take action!

Getting Started:

1. Sign up for free.
2. Verify your email.
3. Go to your back office, profile settings, and click on balance build. The company will place your sign-ups in the optimal leg.

Step 1: Refer Free Sign-Ups & Get Paid Fast Start!

- **Objective:** Sponsor 10 free sign-ups quickly and encourage them to do the same.
- **Incentive:** Earn \$20 per sign-up. (Example: 10 sign-ups = \$200)
- **Tip:** Save \$59 from earnings for auto-ship. Use a balanced build strategy.

Step 2: Balance Build Strategy (Binary Pay)

- **Objective:** Balance build sign-ups on both legs of your binary structure.
- **Example:** 1,000 GV in volume on the Left Leg, 1,500 GV on the Right Leg. The company pays 10-25% on the lesser leg.
- **Potential Earnings:**
 - 10% Binary Pay: 1,000 GBV = \$100
 - 25% Binary Pay of 1,000 GBV = \$250
 - 500 GBV unused goes to start your next week,

Step 3: Level 1 & 2 Binary Check Match Earnings

- **Objective:** Earn from a check match in binary pay from your personals' personals.
- **Example:** Your personally sponsored 10 qualifies for \$100 binary pay.
 - Earn 50% of their binary pay, = 10 p x 50% of \$100: \$500.earned on Level 1

- Earn 10 to 50% of their binary check ex $10p \times 10 = 100$ on Lv2
- If you qualify for 10% of 2 Level at min of \$100 is $100p \times \$10 = \$1,000$
- But If you qualify for 50% of Level 2 min of \$100 at $100p \times \$50 = \$5,000$

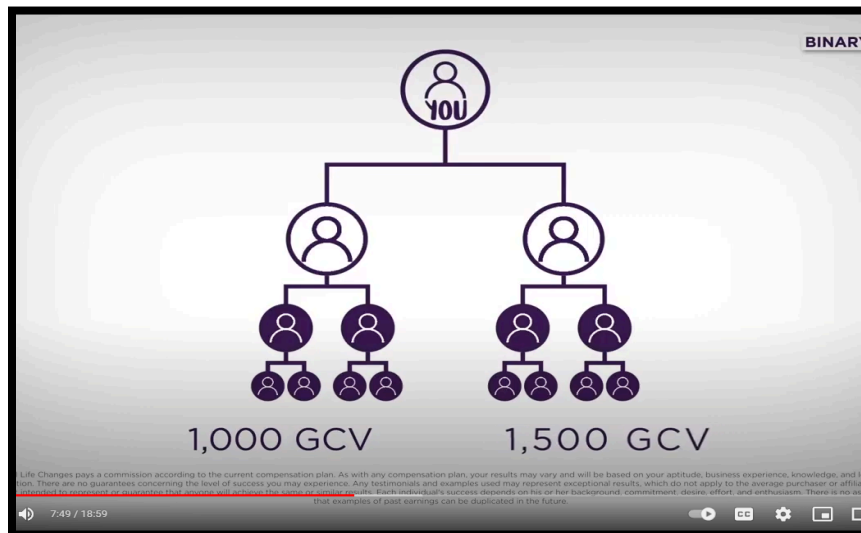

Earnings Summary

- **Minimum Ch match for Level 1 Earnings:** \$500 + \$1,000 Level 2 = \$1500
- **Higher Rank Potential:** Up to **\$5,750/month (with 10 who get 10)**

Final Note:

Consistent effort and sponsoring at least 10 free sign-ups, with each doing a \$59 smart ship, will boost potential bonuses and higher ranks as you progress.
